

Management of Brooks Landfill changing Dec. 1

Effective December 1, 2015, the City of Wichita will be taking over daily operations of Brooks Landfill from Green Group Holdings.

Brooks Landfill will remain in full operation during this transition. Hours of operation, tipping fees, and most staff will not change.

Customers with charge accounts:

All accounts with outstanding balances must be paid by December 1, 2015. Short-term extensions may be granted on a case-by-case basis.

All customers wishing to have charge account privileges after December 1 must fill out a new application.
